

Breaking Bread and Breaking the Silence

A WORKSHOP CONFERENCE FOR LAY LEADERS, CLERGY AND MENTAL HEALTH PROFESSIONALS

Program Description:

Breaking Bread and Breaking the Silence by bringing into play the collective voices of individuals with personal experience, theology, psychiatry and psychology. Our collective mission is to break the silence on **domestic violence, community violence, depression, substance abuse and the impact on the family**. We are lifting the veil and sounding the trumpets in the church and community; bringing visibility to the preventable death and dying caused by masked and treatable emotional pain.
