DBSA Peer Specialist Training

March 2–6, 2015

Chicago, Illinois

Training Description

DBSA Peer Specialist training prepares people who live with mental illnesses to use their experiences to work with others as peer specialists. Facilitated by nationally-recognized trainers, this comprehensive course delivers a foundation in recovery principles, intervention techniques, and ethical practice. Curriculum focuses on the use of peer-delivered services to support the recovery of others. DBSA Peer Specialist training was developed in affiliation with Appalachian Consulting Group, Inc., innovators of the Georgia Certified Peer Specialist Project that pioneered Medicaid billable peer support services.

Who Can Participate

- Individuals age 18 or older with personal experience as consumers of mental health services who wish to use this experience to assist others.
- Those willing to publicly identify as a person living with a mental illness.

Please do NOT apply if you do not meet these first two standards.

DBSA actively seeks a diverse group of training applicants with respect to race, gender, age, sexual orientation, diagnosis, and disability.

Requirements

Training participants must commit to

- attend and actively participate in all five days of training.
- participate in discussion and role-plays utilizing solely their personal experiences as mental health consumers rather than any clinical roles or training.
- take an online certification examination within two weeks of training completion.
