Reflecting on Physical Wellness

Answer the following questions to help you reflect further on your own physical wellness.

1. I generally SLEEP for ___ hours a night.
   How do you feel about your sleep habits?
   Is there a way you believe your sleep affects your mood?

2. I generally do PHYSICAL ACTIVITY ___ days a week.
   How do you feel about your current level of physical activity?
   Is there a way you think physical activity affects your mood?

3. Write about your use of ALCOHOL OR SUBSTANCES.
   Is this an area you would like to change in any way?

4. Write about your relationship with FOOD. Do you know what foods feel best for you to eat? How does food impact your mood?

5. Write about your relationship with your HEALTH CARE PROVIDERS. Do you have the information and support you need from them?
Physical wellness involves taking steps to find healthy habits that can support overall wellness. Wellness in this area focuses on nutrition, exercise, and sleep.

JOURNAL PROMPTS

Use the following questions as prompts for further exploration. Write your thoughts in a journal.

1. Think about a time when you felt great physically. What made you feel good?

2. What is your relationship with exercise? Is there a type of movement you enjoy that you can integrate into your lifestyle if you haven’t already done so?

3. How is your sleep hygiene? Do symptoms of depression or bipolar ever interfere with your sleep? What conditions provide you the best rest?

5. Describe any health challenges that you have had. How have you coped with those challenges?

6. What do you need to do going forward to minimize your health challenges?

7. Write a love letter to your body.

8. Write down a list of things you can do to reduce stress.

9. Write out your favorite recipes. (Pro tip: Categorize them from easiest to hardest. Sometimes when you’re not feeling your best, cooking can be hard, so put your favorites at the top!)
