I'm Interested! Tell me more!

This year's DBSA Virtual Leadership Summit has been expanded to a weeklong event, providing expanded sessions, practical information and resources for our community.

We are offering sessions on a variety of topics, including wellness resources, how to become a mental health advocate, tools for building your DBSA Chapter, and some fun extras along the way, too.

DON'T MISS THIS!

Keynote Interview with **Maurice Benard of ABC's General Hospital.**

Maurice is a mental health advocate who has lived with bipolar disorder for over two decades.

Wednesday, September 29

3:00-4:50 PM EDT | 2:00-3:50 PM CDT
1:00-2:50 PM MDT | 12:00-1:50 PM PDT

Who Should Attend?

- Peers living with a mood disorder
- Friends, family, and caregivers
- Clinicians
- DBSA Chapter leaders and support group facilitators
- Peer support specialists
- Vendor partners
- Students
- Anyone interested in learning more about mood disorders
- and more!

In short, we have ensured that there's something for everyone!
