Lonely

Feeling lonely is the feeling we get when we are not around our friends or family and we want to be.

Times we might feel lonely:
- When we haven't seen our friends in awhile
- When we don’t have anyone to play with
- When we have nothing to do and we feel bored

When we feel lonely, our body might feel like:
- Our eyes are heavy or tired
- Curling up to give ourselves a hug
- Our shoulders turn inward

Lonely didn’t have a Valentine this year, so he was feeling a bit down. But, he remembered a tip his grandma taught him long ago: “If you are feeling lonely, write a love letter to yourself.” Below, write a letter to yourself and remember to write all the reasons that you love yourself! You are a very special person, so remind yourself of all the ways you shine.
Lonely would like to go on a trip! Imagine you could travel anywhere in the world with Lonely, where would you go? Draw a picture of where you wish you could go on the front of the postcard. On the back, write a message about why you want to go there and what you would like to see.
